

The logo features the word "eclips" in a white, elegant cursive script. The letter "i" is notably tall and thin, extending upwards. The letter "s" is also tall and thin, extending downwards. In the center of the word, between the "l" and "i", is a circular graphic composed of several concentric, slightly irregular lines, resembling a stylized sun or moon. Below this graphic, the word "EVENT" is written in a clean, white, uppercase sans-serif font.

Eclos Event is born...

A French event planning agency, created in 2022, specializing in the organization and decoration of bespoke, high-end and luxury events. The agency conceptualizes, manages, coordinates and pilots all events relating to the private and corporate sectors.

Its founder, Carole Bourrée, after a 9-year career in the world of events and luxury tourism, between Shanghai, Guangzhou, Dubai, Paris, chose to create an agency where: authenticity, rigor, high standards and professionalism are the main guidelines.

A French DNA comes out and she signs each of her events with sparkle imagination thanks to her international experience and address book.

Under the wink of the peony flower, her father's favorite (her inspiration for the logo), her objective is to smooth the organization of your event, corporate or private, according to strong human values, with the art of knowing how to listen to you, the need to meet your requirements, the desire to please you and ensure that your event has bloomed in all its splendor.

La réception du 14 juillet 2013 a été une grande réussite qui a réuni plus de 500 invités. Ce succès n'aurait pas été possible sans le soutien que vous avez bien voulu apporter à l'organisation de cette manifestation de la Fête nationale à Canton.

Au nom du Consulat Général de France à Canton, je vous remercie très sincèrement de votre aide précieuse.

Your questioning skills was outstanding and I want my consultant to learn like you how to withdraw people's hidden preference.
